

EDUKINETICS

WELCOMING LETTER

DEAR PARENTS & GUARDIANS,

We would like to give you a very warm welcome to Edukinetics! Thank you for choosing us to be a part of your child's development. Edukinetics strives to create a learning-rich environment that encourages children to explore and experiment. Most importantly, we strive to create an environment where they feel safe, loved and important. We endeavor to be more than just an extra mural.

Please read through this document with all the information for 2023. We are very excited to see "old" faces again and to meet all the new faces!

Welcoming Gifts

Your child will receive their gift on the day of their first lesson. Depending on what option you chose, they will receive a T-shirt or water bottle. Please let us know if your child's T-Shirt does not fit. We will gladly exchange it if there is stock available. Our 2023 babies will receive specially designed teething toys!

Evaluations:

Children are evaluated bi-annually by means of scientific, standardized test batteries which are used to assess their motor skills. You will receive a written report after each evaluation. These evaluations usually take place in March and September. Evaluations not only help to identify potential problem areas but also help ensure that lesson content is accurate.

Communication:

Whatsapp groups are created for each school. These groups are used to convey important information/announcements during the year and, most importantly, to share photos of lessons. All clients are added to the whatsapp group as part of the enrollment process, but it is not compulsory. Important information will be communicated via email as well.

Payments:

- An annual registration fee of **R165** is due before the first lesson.
- The monthly fees are payable from **February to December**.
- We offer a 20% sibling discount.
- Invoices are sent on the 1st of every month and must please be paid before the 7th of each month, preferably via EFT.
- Please note that invoices are automatically generated and sent to all clients on the 1st of every month. If you have already made payment for the month, please ignore the invoice.
- Kindly use your child's name and surname or the invoice number as reference.

Banking details:

Edukinetics Practice (Pty)

Bank: Nedbank

Account type: Cheque

Account number: 1152215582

Branch code: 10371000

Please feel free to contact us via whatsapp (082 307 1386) or email (hello@edukinetics.com) if you have any other questions.

We pride ourselves on delivering efficient, friendly and high quality service to all our clients. We have a 100% "open door policy". Whether you have a question related to your child's motor development, or their emotional/social interactions during lessons, we will gladly assist.

**Sincerely,
Edukinetics Team**
